JUST KEEP TALKING

2027 Enrollment, Payment & Attendance Policy

Effective January 4, 2027

Purpose. This policy explains how monthly enrollment, tuition, attendance, rescheduling, absences, payments, academy closures, and withdrawal are managed at Just Keep Talking (JKT). The goal is to provide students with a predictable schedule while keeping policies clear, consistent, and flexible in exceptional circumstances.

1. Monthly Enrollment & Tuition

- ➔ JKT uses **fixed monthly tuition** rather than hourly billing. Tuition reserves a recurring weekly class schedule and is calculated using the annual academic calendar.
- ➔ Monthly tuition remains the same even when the number of scheduled class days varies. Some months contain five class weeks, while others contain scheduled holidays or academy breaks. These variations are already reflected in the monthly rates.
- ➔ Enrollment renews monthly. **Once a new billing month begins, the student is financially responsible for that month.** Choosing to stop attending during the month does not create a refund or prorated credit.
- ➔ New students who begin after the start of a month may receive prorated first-month tuition based on the portion of their plan remaining in that month. First-month proration does not apply to absences after enrollment has begun.

2. Enrollment Fees

Program	One-time enrollment fee
Adults	₡15,000
Kids	₡10,000

3. 2027 Academic Calendar

Regular classes begin Monday, January 4, 2027. The following dates are JKT-observed closures. Classes that fall during published academy closures are not rescheduled or credited because the closures are incorporated into annualized tuition.

Dates	Closure
March 21-28	Semana Santa break
April 11	Juan Santamaría Day
May 1	Labor Day
July 25	Annexation of Guanacaste
August 15	Mother's Day
September 15	Independence Day
December 22-31	Christmas & New Year break

4. Attendance, Cancellations & Rescheduling

Students may reschedule a limited number of classes each month when **at least 8 hours' notice** is provided. Rescheduling is subject to teacher availability.

Sessions per Week	Student reschedules allowed per month
1 session/week	1
2 sessions/week	2
3 sessions/week	3
4 sessions/week	4

- ➔ Student-requested **make-up classes must be completed within 14 days of the originally scheduled class date.**
- ➔ **Late cancellations** (less than 8 hours' notice) and **no-shows** are considered **lost classes** and are not rescheduled or credited.
- ➔ **Rescheduling opportunities expire after 14 days** and do not carry forward to another month.
- ➔ Classes receiving an extended-absence tuition adjustment are not eligible for make-up classes or carryover credits.

Group Classes

Group classes follow a shared schedule. If an **individual group member misses a class** that takes place as scheduled, that class is **considered lost for that student** and is **not individually rescheduled or credited.**

A group class may be rescheduled when the entire group requests the change in advance and the teacher has availability. An individual student cannot request a separate make-up class for a group session that the rest of the group attended.

If JKT or the teacher cancels the entire group session, JKT will make reasonable efforts to reschedule the class for the group. Teacher/JKT cancellations do not count against the students' rescheduling allowance.

5. Extended Absences

JKT recognizes that students may occasionally need an extended absence for travel, work, family needs, childbirth, planned medical care, or similar circumstances. Extended-absence adjustments are designed to provide flexibility while still maintaining consistent expectations.

Absence	Tuition treatment
2 consecutive weeks	25% discount on that month's regular tuition
3+ consecutive weeks	50% discount on that month's regular tuition
Full calendar month - schedule held	50% schedule-hold tuition; regular teacher/time remains reserved
Full calendar month - schedule released	No tuition; teacher/time is released and availability upon return is not guaranteed

- ➔ For planned absences, students should **request the adjustment at least 14 days in advance whenever possible**.
- ➔ Standard extended-absence adjustments may be used for **up to two adjusted months per calendar year**. Exceptional circumstances may be handled separately.
- ➔ **Missed classes during an adjusted absence are not rescheduled**, credited, or carried into a future month.

6. Exceptional Circumstances

Unexpected serious circumstances - such as hospitalization, surgery, bereavement, serious illness, or significant family emergencies - may make normal attendance temporarily impossible. **JKT may approve an extended pause, tuition adjustment, credit, or other reasonable accommodation on a case-by-case basis.** Advance notice is not required when the situation makes it impractical, but students should contact administration as soon as reasonably possible.

7. Teacher or JKT Cancellations

- ➔ A cancellation caused by a teacher or JKT never counts against the student's monthly rescheduling allowance.
- ➔ JKT will make reasonable efforts to reschedule the class, ideally within 14 days.
- ➔ If a mutually workable make-up time cannot be found, the student will receive a credit toward the following month's tuition.
- ➔ Published academy holidays and breaks are not teacher/JKT cancellations and do not generate credits.

8. Payment Policy

Payment arrangement	Standard payment period
One monthly payment	1st-7th of the month
Two installments	1st installment: 1st-7th; 2nd installment: 15th-21st
Approved alternative schedule	By the individually agreed recurring date

- ➔ Alternative recurring payment dates may be approved by administration when needed. Once approved, that date becomes the student's expected payment schedule.
- ➔ If payment remains outstanding after the applicable payment deadline, **classes may be paused until the balance is paid.**
- ➔ Classes missed because an account is overdue are not rescheduled, credited, or deducted from tuition.
- ➔ **Pausing classes for nonpayment does not cancel the student's financial responsibility for a month that has already begun.**

Payment Methods

Payments may be made through the payment methods currently accepted by Just Keep Talking, including **SINPE Móvil, bank transfer, Zelle, Venmo, and PayPal**. Available payment methods may vary depending on the student's country or currency.

Payment instructions and account details will be provided directly by JKT. A payment is considered received once the funds have been successfully received by JKT.

9. Withdrawal & Monthly Renewal

- ➔ **Enrollment renews automatically each calendar month** unless the student notifies JKT that they will not continue.
- ➔ The hard **withdrawal deadline is before the next calendar month begins.** Whenever possible, JKT asks for at least one week of notice so teacher schedules can be adjusted.
- ➔ Once the new month begins, the student is enrolled for that month and the full monthly tuition applies. **Mid-month withdrawal does not create a refund or proration.**
- ➔ JKT may send a schedule confirmation near the end of each month. Unless a change or withdrawal is communicated before the next month begins, the current plan and recurring schedule continue.

10. Credits & Adjustments

JKT does not use routine class carryovers. Billing adjustments are reserved for approved extended absences, referral/promotional credits, billing corrections, exceptional circumstances, or an academy/teacher cancellation that cannot reasonably be rescheduled. Approved credits appear as a monetary adjustment on the student's account.

11. Policy Administration

JKT may make reasonable administrative exceptions when circumstances warrant them. Exceptions do not permanently modify the standard policy for future months. Any approved alternative payment date, tuition adjustment, pause, or credit should be recorded by administration.
